Finished size of candy cane package decoration as shown is 3 1/2" x 3 1/2".

The candy canes are wheatears made with red and bright white 1/8. Hold two strips together and fold down one end 1/2". Wrap one color at a time alternately around this fold, leaving a bit of space with each wrap. When wheatear is 2 1/2", outline its length with red, curve neck, and glue in place on background paper.

Add a bow made with silver gilded green 1/8. Make 6" teardrops (11) and glue in a cluster on pointy tips. It's easiest to support teardrops with straight pins on a piece of Styrofoam until dry and then glue bow in place atop the candy canes.. Add some curly tendrils.
