7. Starting with the largest to the smallest, glue petals to the base staggering them until you reach the center.
8. Use the tweezers to tightly roll the last 2 small petals for the center of the rose. Link them together, before gluing into the center of the Floral Rose.
9. Punch 4 Birch Leaves. Shape each leaf. Use the 1mm stylus to add veining details to the leaves.
10. Glue leaves to flower base.
11. Attach the pink Rose over the ribbon. Add "Girl" sticker to lower right position of card.
