

Large Clock Birthday Card

By: Teresa Welch

Instructions:

1. For the card front: Turn the card with the fold at the top and cover with Spicy rust paper. Cut a 6¼"x4¾" Spicy brown tapestry paper, ink the edges and glue centered on the rust. Cut a 2"x4¾" Spicy stripes paper, ink the edges then mat the long edges on Spicy rust paper with 1/8" borders. Ink the edges and glue to the card, 1 1/8" from the left edge.
2. Stamp "happy birthday" on Spicy rust paper and cut to 3½"x 7/8". Ink the edges and mat on Spicy light tapestry paper with 1/32" borders. Ink the edges and glue to the lower right. Punch out the pieces for the large clock face and assemble following the numbers and directions. Glue the hands in position, and then insert the brad in the center. Glue to the card, then place small Dazzles™ on the clock and greeting as shown.
3. For the inside: Cut a 5½"x3½" Spicy light tapestry paper, ink the edges, and mat on Spicy rust paper with ¼" borders. Ink the edges and glue centered on the inside. Cut a 6½"x1¼" Spicy brown tapestry paper, ink the edges, and mat the long edges on Spicy rust paper with 1/8" borders. Ink the edges and glue across the inside.
4. Glue the clocks and gears border die cut #1 across the brown tapestry paper. Stamp "celebrate" on Spicy light tapestry paper and cut to 1½"x½". Ink the edges and mat on Spicy rust with 1/32" borders. Ink the edges and foam tape to the border center. Follow the directions for adding the gear layers to the strip, and then place the Dazzles™ as shown.
