64500 Alpine Snowflake
64502 Birch Leaf
53700 5/16" Round Punchline
65800 Tool Kit
65900 Molding Mat

Additional Supplies:

- Card stock: White, Purple, Yellow
- Chipboard
- Purple Marker
- Rhinestones
- Doily
- Glass Votive and Candle
- Circle Cutter
- Fabric Tac (Beacon Adhesives)
- Non-stick Craft Mat or Scrap Paper

PANSY ASSEMBLY:

1. Punch 3 sets of Floral Petals from white card stock and 2 sets of shapes from purple cardstock. Add purple marker to small end of the 1" Floral Petal shapes. Save remaining shapes to create smaller Pansy.
2. Place shapes on the Craft Molding Mat. Using the 8mm stylus, press down into the center of the shape as you move the tool in a circular motion over the entire paper shape. As you do this, the paper will curl up around the stylus.
3. Place the shapes onto the Craft Molding Mat. Using the 8mm stylus, press down into the center of the shape as you move the tool in a circular motion over the entire paper shape. As you do this, the paper will curl up around the stylus.
4. Center the tweezers, over the narrow end of the shape. With thumb and index finger, gradually pinch the paper around the tweezers. This prepares petal for attaching to flower base.
5. Holding the pinched end between your finger and thumb, use the tweezers to grasp each side of the shape and roll back to form petal.
6. Punch 1 Snowflake out of green cardstock and place on the craft molding mat. Hold the 5mm stylus at a 90 degree angle to the paper. Press down and roll the stylus around in the center to form a cup. This forms the flower base to attach petals and leaves.
7. Place a spot of glue on scrap paper or a non-stick craft mat. Dip the narrow end of the 2 purple petals in glue and attach to the cupped Snowflake arms. Next, glue the group of 3 petals allowing the broad part of the petals to overlap slightly. *Caution: Don't use glue on or over the Craft Molding Mat. It needs to stay clean and dry.*
8. Use 1 small round shape for the center of the Pansy. Follow step #3 to shape. Glue the small petal into the center of the flower. Add a self-adhesive rhinestone.
9. Punch 2 Birch Leaf shapes. Follow step #3 to prepare the shapes. Use the 1mm stylus to add thin veining details to each leaf. Glue a leaf to each side of the flower to complete the Pansy.
10. Repeat steps with the remaining shapes to create smaller Pansy flowers.

VOTIVE ASSEMBLY:

1. Cut one 5³/₈" circle from chipboard and one from yellow card stock. Glue together.
2. Glue Doily to center of card stock.
3. Create three large and three small Pansies.
4. Place glass votive in the center of Doily. Glue Pansies to Doily going around the base of the votive alternating between large and small Pansies.
