4 1/2" pieces peach 3/8" quilling paper cut to point at one end.  
Slightly roll both edges of the uncut end.  
For the larger rose glue six in a circle for the bottom, glue four together for the center, folds facing up.  
Add three pearl to middle.

The bud is four pieces each with three pearls.  
Add quilled or punched leaves to finish the design.

## Hints

A scrap piece of paper may be used for the base of the rose.  
For a different look try making the roses with the folded tips facing down.  
Gold or silver beads, small quilled strips, or glitter glue may also be used for the centers.
